

Granules India bags award

Hyderabad: Fortune India published 2017 list of The Next 500 Companies and ranked various mid-size companies. City-based Granules India Limited featured in the list at 60th place. The company was ranked at 111 in 2016 in the list of The Next 500 Companies. In addition, Granules India also received award for being in the elite list of 25 greatest value creators in the Fortune India Next 500 universe. Fortune India organized a function to present the awards to Top 25 greatest value creator companies. “The award is the testimony to our continuous effort to create value to all our stakeholders and society at large”, said, Krishna Prasad, CMD, Granules India.
