Values that Guide Our Actions

Challenging Limits

Our unwavering belief in pushing boundaries and thinking beyond the possible drives us to challenge the status quo, embrace risk, and consistently pursue innovation fearlessly, without necessarily conforming to established practice. In doing so, we leverage the power of science in the best way possible.

Customer Driven

Being driven by the customer's best interests is a way of life for us. It fuels our passion to develop tailored solutions that prioritize customer preferences. It inspires us to go above and beyond and forge lasting, meaningful relationships.

Futuristic Thinking

We think about tomorrow and beyond. Our actions and efforts must have a positive and transformative impact for a long time to come, and everything we do is evaluated through this prism.

Empowering Employees

People are the beating heart of Granules. They must be encouraged and empowered to be the best version of themselves. Through our approach, we enable and empower our colleagues and communities to achieve their highest potential, co-creating opportunities for collaboration and impact.

Quality Everywhere

Quality excellence is not just a goal but a relentless pursuit embedded in our DNA. We are driven by an approach to achieve 'best-in-class' across our products, operations, processes, and conduct. We believe this is the only way to go further, be a preferred partner for our customers, and inspire confidence and ambition in all stakeholders.

Environmental Stewardship

Being a positive force for the planet and its preservation is a fundamental duty that we fulfill through our efforts in green science, responsible practices, and an approach of trusteeship. Long-term success is based on our ability to partner in fostering a harmonious relationship with the planet and caring for it for the benefit of future generations.
